

Peace Officer Certification Senate Bill (SB) 2 Training Course

POST is pleased to present a series of training courses focused on providing participants with the necessary and relevant information to comply with the legislative requirements pursuant to SB 2. The training will be presented in two separate four-hour sessions.

Session A - Selection Standards and Certification (9180-28011)

An overview of SB 2 and in-depth facilitation regarding requirements for background and hiring, peace officer appointments, proof of eligibility, basic certificates, and employee separation.

8:00 a.m. – 12:00 p.m.

Session B - Reporting Requirements and Decertification Investigation/Process (9180-28012)

An overview of SB 2 and in-depth facilitation regarding requirements for notification of alleged peace officer serious misconduct, investigations, suspensions, and decertifications. 1:00 p.m. – 5:00 p.m.

The courses are intended for agency heads, agency background investigators, hiring managers, individuals responsible for entering appointments and separations, and internal affairs investigators or other individuals responsible for making notification of serious misconduct to POST.

Courses are eligible for reimbursement under POST Plan I and offer four hour Continuing Professional Training credit hours for each session completed. Courses may be completed together or as a standalone based on agency needs.
